- A leading recruitment firm since 1980, specializing in the fields of Accounting and Finance, Engineering, Materials Management, Manufacturing Operations, Purchasing, Quality Control, Lean/Six Sigma, Sales and Marketing and Distribution/Logistics.
- Top producing office for eighteen years in the F-O-R-T-U-N-E Franchise network of approximately 70 offices across the country. Cooperation between the offices offers you immediate access to the best candidates across the nation.
- Recruit and present only the most qualified and talented candidates, many of whom are not necessarily looking for a new position, but are receptive to the right professional opportunity.
- Dedication to understanding the specific needs and personality of your organization. With this knowledge, we introduce you to the qualified candidates who will integrate easily with your corporate goals and philosophies.
- In-depth screening provides prompt and efficient searches.
- Serve as a liaison throughout the entire placement process and help motivate the chosen candidate to accept your offer.
- Discrete and confidential.
- A reputation in the business community for excellence, integrity and trust.
- Committed to fulfilling employment needs in a way that fosters long-term relationships.
