For more than four decades, F-O-R-T-U-N-E Personnel Consultants has been helping both large and small businesses enhance their most important asset – human resources. We have set the standard of expertise in the field we helped pioneer. When you hire F-O-R-T-U-N-E Personnel Consultants to fill your executive, professional or middle management positions, you benefit from an entire national network of experienced recruitment specialists. These specialists are equipped to handle a wide range of industries and disciplines. Our extensive network can connect you with the talent you might not easily find on your own. Integrity, dependability and results have earned us the respect of America’s leading corporations. We measure our success by the number of clients who return to us repeatedly to fill their staffing needs.

National Network of Recruiters

F-O-R-T-U-N-E Personnel Consultants is a network of nearly 80 offices. This provides our clients with an edge. Rather than relying on a local search, F-O-R-T-U-N-E Personnel Consultants provides you with access to talent across the country and around the world. Cooperation among offices has always been key to our success. When you enlist us to help you with your search, you have your own consultant, plus hundreds of recruiters throughout the county working for you.

Specialized Consultants

The consultant working for you understands your business. He or she is not a generalist, but specializes in a particular industry or discipline. In fact, many of our consultants have prior experience within the industry in which they now recruit. This means your consultant will be an expert in your field, and uniquely equipped to locate the right person for your position.

An Understanding of Your Organization

At F-O-R-T-U-N-E Personnel Consultants, we listen carefully to your needs. We know that finding the right individual to fill your executive, professional or middle management opening is more than just matching skills on the job. Your consultant will devote time and effort to thoroughly understanding the culture, personality and style of your organization.

Screening Prospects

F-O-R-T-U-N-E Personnel Consultants locates, qualifies and interviews candidates from across the nation. We only introduce you to the most qualified prospects. Our goal is to conduct each search promptly and efficiently. We work carefully with candidates to ensure their understanding of your needs, the position and your company. Thanks to our screening methods, our clients usually find the right candidates after one or two interviews.

Candidate Motivation

Our job is not over once you have the ideal person for the position. Your consultant then works to motivate your chosen candidate to accept your offer. We serve as a liaison; we help with negotiations; we do all we can to ease the transition for your candidate - whatever it takes to put the right individual on your team.

Confidentiality

Discretion is vital during recruitment, interviewing and negotiating to fill a position. It is integral to our process of screening and referring candidates. Credentials and privileged information are handled in confidence. Our goal is to serve as an effective and trustworthy liaison between a potential employer and candidate. You can trust that each consultant with whom you have contact understands and abides by this credo.

Integrity and Trust

At F-O-R-T-U-N-E Personnel Consultants, we stand by our record. We are especially proud of our reputation for dependability and integrity. Our recruiting staff, all of our relationships, all of our interactions with clients and candidates are inspired by F-O-R-T-U-N-E Personnel Consultants' code of ethics. It has been, and will continue to be, the hallmark of our service.
